

Bioeconomy in the Circular Economy BioCirce

BioCirce is the first European
Master in Bioeconomy in the Circular economy.

This MS degree program provides skills and expertise necessary to deal with the full range of issues in this complex field.

The program welcomes students from all different backgrounds:

- Graduate **scientists** who want to pursue a career outside the lab;
- **Social** and/or **business** graduates who want to develop their interests in life science innovation;
- **People already working in biotechnology** related fields who wish to engage further.

The program includes **four compulsory modules** (5 Credits each) given by the four participating Universities (modules cover relevant scientific topics as well as economic and legal issues) and a **6-months stage** in one company or institution.

**CALL IS OPEN FOR THE FIFTH EDITION OF THE MASTER!
 APPLICATION DEAD-LINE: 19th NOVEMBER 2021**
